

Help Salvage Native Plants!

Dig in with other volunteers digging up trees and shrubs from this site scheduled for development. In the afternoon, we'll be potting up the salvaged plants so they can recuperate before going to King County habitat restoration sites. Once replanted, these native plants will help reduce erosion, shade streams and provide habitat. Special thanks to Brandt Properties LLC for providing the salvage site.

When:

Saturday, March 7, 2009

9:00 a.m. to 12:00 p.m. salvage at site

1:00 p.m. to 4:00 p.m. potting at Holding Facility

Where:

Maple Valley

Directions: To Salvage Site

From I-405 near Renton, Take highway 169 to Maple Valley. Drive past the Maple Valley Market and McDonalds in Maple Valley.

Turn left on SE 240th ST. Turn left on 231st Ave SE.

Turn left on SE 239th PL. Turn left on SE 238th ST.

If you prefer, you can also try Google maps and search for SE 238th St, Maple Valley, WA

To the Native Plant Holding Facility

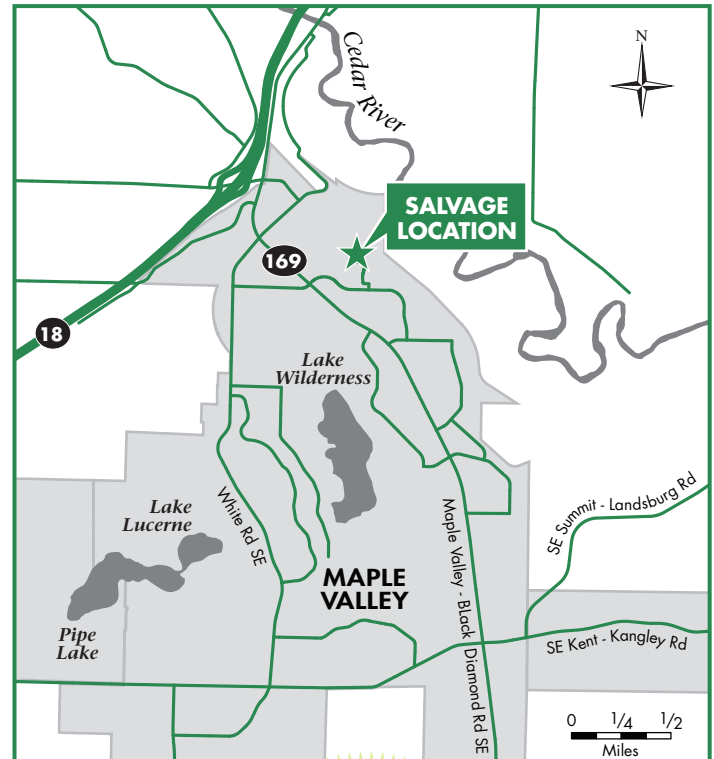

From I-5 or I-405, take I-90 east to Highland Drive exit (exit 18) in Issaquah. Stay left on the off ramp to continue onto Highland Dr. Drive through several lights. Turn right onto Issaquah-Fall City Road. Just past Endeavor Elementary School, stay straight onto Duthie Hill Road. The holding facility is in Duthie Hill Park (on the right) 27101 Duthie Hill Road.

Notes:

A parent or guardian must accompany volunteers under 16 years old.

Dress for the weather and be prepared to get dirty. Sturdy shoes or boots are recommended. We'll provide gloves, tools and light refreshments.

Not a morning person? Volunteers also needed at our Native Plant Holding Facility from 1:00 until 4:00 to help pot up the salvaged plants.

FREE plants are available to volunteers who salvage plants for King County and for those who help pot them!
